Andrew and Daniel lead the rest by 3 points now. Some big movers this week, Darcy up 7 places, Jarrold up 8 places. Movement the wrong way sees Denise drop 10 places. Next week is another bye round with both Hawthorn and Essendon having a rest. Still another late game to finish round 4, however it will finish by around 8pm instead of around 9pm, woo hoo AFL, what's with all the late Sunday night finishes, while I'm on the whinge, what's with channel 7 selling us out with all the hype about "Free" footy, but no Saturday night games, just pathetic.

Notes on how to read the Ladders:

The "**MOST TIPPED**" Ladder is a compilation of everyone's tips.

The "**LIVE LADDER**" is the live ladder after each completed round.

Your Ladders are mostly shown in red, if you have a team highlighted in Green then that will mean your team matches that team's position in the **LIVE LADDER** THE MORE GREEN THE MORE EXPERT YOU ARE IN TIPPING YOUR LADDERS.

A red X in the **LIVE LADDER** means that the team does not match the position of the team against the **MOST TIPPED LADDER**.

"**Correct**" will mean that the team matched the position of the team from the **MOST TIPPED LADDER**.

The numbers against each team is how many times you have tipped a team. If you tipped teams the same number of times they will be sorted alphabetically
